

NATSPEC Class 3 and 9c Specification – Index of worksections

01 GENERAL

- 0171 General requirements
- 0172 Environmental management
- 0181 Adhesives, sealants and fasteners
- 0182 Fire-stopping
- 0183 Metals and prefinishes
- 0184 Termite management
- 0185 Timber products, finishes and treatment
- 0193 Building access safety systems

02 SITE, URBAN AND OPEN SPACES

- 0201 Demolition
- 0221 Site preparation
- 0222 Earthwork
- 0223 Service trenching
- 0224 Stormwater - site
- 0241 Landscape - walling and edging
- 0242 Landscape - fences and barriers
- 0250 Landscape - combined
- 0271 Pavement base and subbase
- 0274 Concrete pavement
- 0275 Paving - mortar and adhesive bed
- 0276 Paving - sand bed
- 0277 Pavement ancillaries
- 0279 Paving - on pedestals

02 STRUCTURE

- 0301 Piling
- 0310 Concrete
- 0321 Precast concrete
- 0331 Brick and block construction
- 0341 Structural steelwork
- 0342 Light steel framing
- 0346 Structural fire protection systems
- 0381 Structural timber
- 0382 Light timber framing
- 0383 Decking, sheet and panel flooring
- 0385 Cross-laminated timber (CLT)

04 ENCLOSURE

- 0411 Waterproofing - external and tanking
- 0421 Roofing - combined
- 0431 Cladding - combined
- 0433 Stone cladding
- 0451 Windows and glazed doors
- 0453 Doors and access panels
- 0454 Overhead doors
- 0455 Door hardware
- 0457 External screens
- 0467 Glass components
- 0471 Thermal insulation and pliable membranes
- 0472 Acoustic insulation

05 INTERIOR

- 0511 Lining
- 0522 Partitions - framed and lined
- 0523 Partitions - brick and block
- 0532 Suspended ceilings - flush lined
- 0551 Joinery
- 0552 Metalwork - fabricated
- 0573 Fire extinguishers and blankets
- 0574 Window coverings
- 0581 Signage

06 FINISH

- 0611 Rendering and plastering
- 0612 Cementitious toppings
- 0621 Waterproofing - wet areas
- 0631 Ceramic tiling
- 0641 Applied wall finishes
- 0642 Wallcoverings
- 0651 Resilient finishes
- 0652 Carpets
- 0654 Multilayered board flooring
- 0671 Painting
- 0672 Textured and membrane coatings

07 MECHANICAL

- 0701 Mechanical systems
- 0721 Packaged air conditioning
- 0722 Room air conditioners
- 0731 Fans
- 0741 Ductwork
- 0744 Ductwork insulation
- 0745 Attenuators and acoustic louvres
- 0746 Air grilles
- 0771 Automatic controls
- 0773 Building management systems
- 0784 Motors and starters
- 0791 Mechanical commissioning
- 0792 Mechanical maintenance

08 HYDRAULIC

- 0801 Hydraulic systems
- 0811 Sanitary fixtures
- 0812 Tapware
- 0813 Water heaters
- 0814 Hydraulic pumps
- 0816 Hydraulic services tanks
- 0821 Stormwater - buildings
- 0822 Wastewater
- 0823 Cold and heated water
- 0824 Fuel gas
- 0825 Rainwater storage systems
- 0826 Greywater systems
- 0891 Hydraulic maintenance

09 ELECTRICAL

- 0901 Electrical systems
- 0911 Cable support and duct systems
- 0921 Low voltage power systems
- 0925 Electric vehicle charging systems
- 0933 Power generation - photovoltaic
- 0937 Uninterruptible power supply
- 0941 Switchboards - proprietary
- 0942 Switchboards - custom-built
- 0943 Switchboard components
- 0947 Power factor correction
- 0951 Lighting
- 0961 Information and communications technology (ICT) systems
- 0962 Television distribution systems
- 0963 Sound systems
- 0971 Emergency evacuation lighting
- 0979 Lightning protection
- 0981 Electronic security
- 0991 Electrical maintenance

10 FIRE

- 1001 Fire services systems
- 1014 Fire services pumps
- 1016 Fire services tanks
- 1030 Combined wet fire suppression systems
- 1031 Hydrants
- 1033 Sprinklers
- 1041 Gaseous fire suppression systems
- 1051 Liquid chemical fire suppression systems
- 1072 Fire detection and alarms
- 1073 Emergency warning and intercommunication
- 1091 Fire services maintenance
